## Mexican Citizens at Parral Attack American Troops

**NEW COMMISSION DOWN TO BUSINESS AND WORKING HARD**

**PROVISION MADE BY ORDINANCE FOR SEVERAL NEW POSITIONS, AMONG THEM THAT OF CITY BACTERIOLOGIST, WHO SHALL HELP IN PROTECTING HEALTH.**

**HALF FARE PROPOSAL SLIDES**

**Commissioners Take No Part in Care-Matter—Postponement Is Result, Littering of Streets by Billboard Men to Be Punished by \$100 Fine Hereafter—Sanger Avenue to Be Graded.**

That was a busy, bustling, breezy and business-like meeting of the city commission under the new administration yesterday morning, and at the session, which lasted less than an hour and a half, three ordinances were passed, one ordinance was discussed some time but went over, and a decision was reached to improve one of the important thoroughfares of the city.

Other matters also received attention at the session yesterday. The ordinance which first passed the commission was one providing for a city physician who shall give all his time to the city at a salary of \$2100 a year; and one section of the ordinance provides for a bacteriologist who shall give all his time to the city and to the board of water commissioners in equal proportion to his compensation from the city to be \$750 a year and the rest of his pay comes from the board of water commissioners. The city physician and bacteriologist to give all their time and to maintain regular office hours at the city hall. The city physician and the bacteriologist to safeguard the health of the city in every possible way, and it is understood that there will be a regular inspection of meat, milk, water and other things.

The other ordinance passed was the one providing for preventing the littering of streets by billboard men, and a fine of \$100 for violation is prescribed.

A measure was also presented and passed which requires that the cotton yard at Third and Webster streets shall provide an effective means of preventing cotton getting out of this

**U. S. CONSIDERS GERMANY ADMITS ATTACK ON SUSSEX**

By the Associated Press.

Washington, April 13.—The United States is disposed to consider that Germany has admitted one of her submarine commanders is guilty of torpedoing the channel steamer Sussex, which had aboard more than a score of American citizens.

President Wilson and Secretary Lansing today examined the official text of the latest communication from Berlin and are understood to have reached this conclusion, although no announcement was made.

Unless Germany should, without equivocation, admit attacking the vessel, inflict adequate punishment upon the submarine commander and in other ways show evidence of good faith, action of a drastic nature undoubtedly will follow. Details of the policy to be pursued are expected to be formulated at the cabinet meeting tomorrow.

**Mexicans Disarmed on Line of March**

By the Associated Press.

Columbus, N. M., April 13.—Many Mexicans along the American line of march in Mexico have been disarmed by the United States forces, according to arrivals at the border tonight. Gen. J. J. Pershing, it was said, regarded this step as necessary to protection of the commandant since he has received reliable information that numbers of Villistas, scattered followers, are infesting the route.

**Wheat for Belgium Leaves Galveston**

By the Associated Press.

Galveston, Texas, April 13.—With a cargo of 214,000 bushels of No. 2 hard winter wheat, the British steamship Flandriar, gaily decorated with black-and-white bunting announcing her peaceful mission, departed today with wheat for the Belgian relief commission. The steamer will discharge at Rotterdam, from where her cargo of wheat will be trans-shipped by barge to Belgium. She will go via Newport News for coal.

The steamship Lady Carrington, under charter to the same account, is expected in port tomorrow and will at once go under the spouts to start taking cargo.

**ARE PEOPLE READY, ASKS PRESIDENT: ANSWER IS "YES"**

AT JEFFERSON DAY BANQUET WILSON IS ASSURED AMERICANS HAVE COURAGE TO GO IN WHERE HUMANITY DEMANDS—OR TO WITHDRAW.

**NON PARTISAN SERVICE URGED**

Enthusiastic Applause Greets Every Mention of Nation's Chief Executive's Name, Who is Referred to by Other Speakers as "Next President." Party Achievements Reviewed.

By the Associated Press.

Washington, April 13.—President Wilson, speaking at a Jefferson day banquet of democrats from all parts of the country here tonight, prayed that the United States would not be drawn into a quarrel not of its own choosing. But he asked if the people were ready to go in where the interests of humanity were coincident with the courage to withdraw when the interests of humanity had been conserved. He was interrupted by cheers and shouts of "yes!"

During his address the president had mentioned the European war and the Mexican question without intimating what were his plans in either of the problems confronting the United States.

RESPONSIBILITY WITH DEMOCRATS.

He declared that in the present situation the responsibility was with the democratic party because that party controls the government and that "it is for us" to hold the balance even and not to allow some malign influence to depress one side or the other.

Most of the speech was devoted to reviewing the achievements of the democratic party during the last three years and to a criticism of the republicans as the party with "a provincial spirit." The president asserted that the nation was "better prepared than ever before to show how easily we can lead along the pathway of light."

The president declared he was not interested in personal ambition, nor even enthusiastic over party success, but that he was interested in seeing the load depressing humanity lifted. He mentioned none of the republican leaders by name, but when he spoke

**SERIOUS CLASH OCCURS WHEN NATIVES ATTACK SMALL BODY OF SEVENTH CAVALRY PASSING THROUGH STREETS OF WESTERN CHIHUAHUA TOWN**

**PATROLS ON BORDER INCREASE VIGILANCE AGAINST ATTACKS**

By the Associated Press.

San Antonio, April 13.—From Columbus, N. M., to points near the Chihuahua-Durango line, American troops increased their vigilance today against attack from any quarter. The word that Carranza had requested the opening of negotiations looking to their withdrawal went up and down the line of communication and forward to the camps of the detached cavalry columns that have penetrated the hills and mountains beyond Parral in their search for Villa. No official communiqué came from the army, but the war department has communicated the news and its wishes to General Funston, but orders have been sent from here to take all precautions against attack by any organization, whether that of Francisco Villa or not.

General Funston received no report from General Pershing regarding the Parral incident, and late today he knew no more of that development than was contained in the report sent forward by Consul Letcher from Chihuahua and that given in press dispatches from Washington. His information from Letcher indicated that both garrison and populace had fired upon the detachment of 149 American troops when they entered the town and that the fire had been returned.

It was assumed that the commanding officer of the detachment was Major Tompkins, who, it is believed, might be having difficulties in getting his report of the incident back to General Pershing. Major Tompkins had with him no field wireless and a courier would have to have been used for the transmission of his report.

**AMERICANS NOT BELIEVED TO BLAME.**

That a conflict between American and Mexicans other than those of Villa's organization had occurred was recognized at headquarters, but confidence was expressed in the ability of the commander of the detachment that entered Parral to explain the incident satisfactorily. All officers in the expeditionary column have been cautioned not to provoke conflict with peaceful residents of Mexico, or with troops of the de facto government, and officers at headquarters do not believe that the incident at Parral will alter the attitude of the men in the field. Officers here are confident that any conflict that might come will be the result of aggression by a Mexican force.

Until ordered to act otherwise, General Pershing will continue uninteruptedly and without material change of plan his pursuit of Villa, but he also will be expected to carry out General Funston's orders issued today to look closely after the guarding of his lines of communication and investigate carefully all Mexican troop movements in his vicinity, whether they be movements of Villa troops or those of the de facto government. General Funston said late today that he had ordered scouts to watch for the forces of General Armando Gomez, reported yesterday to be preparing to move southeast towards Casas Grandes with the ostensible intention of joining in the pursuit of Villa. From the direction in which he may move, army officers pointed out he could cut the American line of communication.

been impossible for military commanders to check the mob against American troops who entered Parral and that this evening (April 12) the fight had continued between our people and the American forces—that many deaths had occurred on both sides.

"General Obregon has already given orders to prevent continuation of the battle, but the feeling is so great among the people that I fail to know whether the struggle can be stopped."

"Call on the secretary of state and advise him that the occurrence is due to the unwise action of the American commander in having entered Parral without the permission of the authorities, violating the orders of government forbidding the occupation of towns by American forces."

"Please cause the secretary of state to see that it is unwise for American troops to remain any longer on our soil, as more serious incidents than the present one which we must avoid at all costs, may develop."

"Please make use of any arguments you may deem advisable to put an end to the situation created by the presence of American troops in our territory. I will keep on advising you through the foreign office of any further incidents."

A later dispatch from American sources sent today said the fighting was over.

Consul Garcia's dispatch to the embassy follows:

"General Gavira (the Carranza commandant at Juarez) informs me that last night (Wednesday) about 140 American soldiers tried to enter Parral. The people protested and it appears the garrison did also. Several persons were killed on both sides."

**FUNSTON GIVEN ALL AUTHORITY NEEDED.**

Secretary Baker conferred with members of the general staff at the war department tonight. Later he made this statement:

"I wired General Funston a summary of the statements given out at the Mexican embassy. I directed him to take all necessary steps to protect our people, to prevent further trouble, and to win all details he can get as fast as possible. Unfortunately, we have no facts yet. I hope the reports of the incident are exaggerated and that it is only a local affair."

The secretary declined to state whether General Pershing had orders to keep his troops out of Mexican towns in the future. He pointed out that when the expedition reached Casas Grandes the question arose with the de facto government to the "occupation" of any Mexican towns by the American troops and orders were given not to occupy any towns. Mr. Baker indicated, however, that these orders did not preclude the American troops from passing through such towns when necessary and that he did not consider that the entry of 150 soldiers into Parral, with its 15,000 inhabitants, could be construed as an "occupation."

Secretary Baker and Major General Bliss remained at the war department until midnight, waiting vainly for further information from General Funston. The department's telegraph room was kept open, but only a few messages of routine character came in.

General Funston made clear in his dispatches that Parral is so physically situated that it is difficult to pass around it and almost necessary to pass through it to proceed south. That probably was responsible for the cavalrymen entering the town and officials noted that all the Mexican reports agreed that they retired at once when the local officials protested against their presence. The war department investigation will clear up how they came to enter.

**CONGRESS EXPECTED TO OPPOSE WITHDRAWAL.**

Tonight there had been no opportunity for a canvass in congress but it was evident that having unanimously approved by resolution the sending of troops into Mexico to capture the Villa bandits, it would sharply oppose their withdrawal without the accomplishment of their object. There is now, however, no indication that the administration has any such intention.

The president announced when the troops were dispatched that they were sent with the single object of capturing Villa and putting a stop to his forays.

"This can and will be done," the president then declared, "in entirely friendly aid of the constituted authorities in Mexico and with scrupulous re-

**OF WITHDRAWAL TROOPS.**

The concluding paragraphs, which formally terminate "for the present" negotiations over the proposed agreement, again lay stress on the fact of Dr. Lansing's suggestion that the Villa pursuit be classed as outside that agreement.

"If now the American government," the note continues, "intends that the force sent against Villa should remain in the United States, it should resume negotiations with the United States government."

"Now, however, it appears altogether useless to continue discussing the conditions and terms of the same because these details can be taken up later if necessary, should a repetition of the lamentable incidents happening at Columbus occur."

**OF WITHDRAWAL TROOPS.**

The concluding paragraphs, which formally terminate "for the present" negotiations over the proposed agreement, again lay stress on the fact of Dr. Lansing's suggestion that the Villa pursuit be classed as outside that agreement.

"The expression is without force under the circumstances," the note says, adding that "it is now time to turn our attention to the subject of the withdrawal of its forces from our territory."

No state department official who had seen the note would comment on the suggestion. It was pointed out, however, that the misunderstanding might still exist in Mexico as to the attitude of the United States; that the present expedition was in fact regarded at the state department as coming under the terms of the protocol agreement.

Whatever steps the war department took today or has already taken further to meet the situation, however, that the misunderstanding might still exist in Mexico as to the attitude of the United States; that the present expedition was in fact regarded at the state department as coming under the terms of the protocol agreement.

Should this prove to be the case, it is possible the diplomatic tangle will be straightened out quickly. The terms of the agreement as suggested originally or as amended by Dr. Lansing in his counter draft referred to in the Carranza note never have been made public. Upon the limitations of the Villa pursuit which might result from its inclusion under that agreement probably will rest the president's decision as to what answer will be made to Carranza.

The situation at Parral was unexpected. If unofficial reports from Pershing bear out the Mexican advice it seems likely that the conduct of the officer in command of the troops will be subjected to close scrutiny.

Colonel Clegg at El Paso tonight telegraphed the state department that news of the fighting at Parral had caused uneasiness there and elsewhere along the border but without demonstrating.

One of the 90-horse teams of Curtis biplane tested today at Newport has been accepted and is already on its way to the border.

By the Associated Press.

Washington, April 13.—General Carranza is preparing immediately to set up the capital of his de facto government in Mexico City. Official reports to the state department tonight said he expected to leave Queretaro, the temporary capital today and should arrive in Mexico City tomorrow.

yard and littering up the premises of residents of that section of Waco.

### MORE IMPROVEMENTS FOR SANGER AVENUE.

Sanger avenue, from Twenty-second street to Twenty-eighth street, will be graded and well graveled so as to make an excellent thoroughfare, provided the citizens on that street will build concrete bridge at Twenty-fifth and Sanger, thus closing up Twenty-fifth street to public use and providing a good way of access to the city.

Buttist, Sanitarium, which is to be erected at Twenty-fifth and Barnard streets very soon. It was stated by Dr. J. F. Bailey and E. M. Ainsworth, who appeared on behalf of the improvement on Sanger avenue, that the funds would be provided with which to build the bridge in connection with the street railway company, a large per cent of the cost falling on the residents of the street, however.

An ordinance providing for regulation of packing houses and slaughter pens in the city was presented to the session yesterday, but went over to the next meeting.

The minutes of the previous meeting were read and adopted by vote of the commission.

### RALEIGH HOTEL WANTS ELECTRIC SIGN.

Petition of the Raleigh hotel for an electric sign was referred to Fire Commissioner Richards, the city electrician and fire marshal.

A light was ordered placed at Twenty-second and Herring avenue, on motion of Commissioner Richards.

### STREET CAR FARE PRO-ORDINANCE KILLED.

The ordinance providing for a fare of two and a half cents for school children of the city, all children to have the benefit of the ordinance, in fact, was brought up and read, but failed to reach a vote, as there was no second to the motion to pass or an amendment which was suggested.

Major John Dollins strongly urged the passage of the measure as written, as did Commissioner Ben Richards.

**THE GROCERY SO DIFFERENT****Louisiana Visitor Says Lumber Industry Is Picking Up**

H. A. Callis, who has just been over in Louisiana and in the lumber region of that state, brings the cheering and significant news that the lumber industry of that state is picking up decidedly, and that there is getting to be a much steadier demand, with prospects of yet further improvement.

The same news comes from East Texas, and as the lumber business and real estate are usually about the last lines to show improvement, this condition becomes interesting.

Mr. Callis thinks that the improvement has come to stay, too, and will become more pronounced.

**W. W. Woodson to Talk Before Lawyers' Club**

W. W. Woodson, cashier of the First National bank, will address the Lawyers' Luncheon club tomorrow noon at the regular meeting of the organization at the Raleigh hotel. His subject will be "America's Commercial and Financial Independence."

Mr. Woodson will be the first speaker not a member of the legal fraternity that has been called upon for an address by the Lawyers' club in several months.

**"Brownatone"  
Tints Your Hair  
In a Minute**

Preferred to Slow-Acting Dyes.

The straightest road and the shortest cut to the certainty of an attractive and beautiful appearance is the use of "Brownatone" Hair Stain."

This preparation will instantly change gray hair to the softest and richest golden brown, medium brown, dark brown or black—just as you wish.

Just comb or brush it into your hair.

Impossible of detection, will not rub or wash off, and needs retouching only as the hair grows out.

"Brownatone" hair stain is far superior to "dyes" and is absolutely harmless in every way.

Sold by all druggists, in two sizes, 25¢ and \$1.00. If you are offered a substitute save annoyance by refusing it and ordering "Brownatone" direct from the makers.

Insist on "Brownatone" at your hairdresser's. Trial bottle and interesting booklet will be mailed for 10 cents. Mention shade desired.

Address The Kenton Pharmaceutical Co., 666 E. Pike St., Covington, Ky.

Sold and guaranteed in Waco by Powers-Kelly Drug Co., Steller's Drug Store and other leading druggists.

**Freckle-Face**

SUN AND WIND BRING OUT UGLY SPOTS—HOW TO REMOVE EASILY.

Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of ointment—double strength—from any druggist and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength ointment, as this is the prescription sold under guarantee of money back if it fails to remove freckles.

Children give playlet, South Waco school building, 8 o'clock.

Young Men's Business class banquet, Columbus Street Baptist church, 8:30 o'clock.

Home talent "movie" scene, Hotel Raleigh, 4 o'clock.

**MRS. SAM FREUND HOSTESS  
FOR WEDNESDAY BRIDGE**

In regular weekly game, members of the Wednesday Matinee Bridge were with Mrs. Sam Freund. No guests were present. Prizes were won by the Mesdames Louis Davidson and Dan Wise.

**EASTER MONDAY TEA  
FOR MISS GRACE DYER**

On the eve of her marriage, as a last greeting to girlhood, Miss Grace Dyer will be honoree on Easter Monday. In this, Mrs. Z. F. Zeasley and Miss Nellie Dancy, in their Columbus Street home, will entertain in compliment to Miss Dyer.

**DOMESTIC SCIENCE MEETS  
WITH MRS. WALTER LACY**

Including the Mesdames W. E. Spell, W. E. Darden and Frank Miller, as special guests, Mrs. Walter Lacy entertained the Domestic Science club in their weekly session on Wednesday. Nothing out of the regular pleasant hour was introduced.

**HOME INVITATIONS GIVEN  
TO MOORE-BLAIR WEDDING**

On Thursday, invitations were given verbally to relatives and closest friends for the home wedding of Miss Ruth Blair to John Moore. This comes on Tuesday of Easter week in evening service, in the home of Mrs. T. A. Blair. In the interim, Miss Blair will be honored with Mrs. O. H. Cross.

**CIRCLE SESSIONS COME  
FOR AUXILIARY MEMBERS**

As chairman of this work, Mrs. Morris announces the following hostesses for neighborhood circles within the Auxiliary for the Austin Avenue Methodist church: Mrs. H. W. Lane, Jameson, 1503 Washington Street; Mrs. J. W. Holloway, Eighteenth and Morrow; Mrs. J. F. Cason, 1802 North Eighteenth, and the church. Interruption during the two weeks' revival makes this rather a rally of members for renewed activity. On Monday the North Fifth street circle meets.

**CEDAR IS DONATED  
BY THE BOY SCOUTS**

Another impetus to patriotism has come to the Boy Scouts. In clearing their picturesque glen, Jim Baker park, the Scouts have cedar tree trimmings in plenty. This has been dedicated to the Mary West chapter for making memorial wreaths. Wednesday and Saturday this will be gathered and taken to the R. S. Lazear home, Sixteenth and Morrow. Here, on the wide veranda, members of the chapter will meet and make the wreaths to be placed on the soldiers' graves the following Sunday.

**COZY TEA BRIDGE CLUB  
WITH MRS. M. E. YINGER**

With Mrs. Edgar Yinger assisting, and the Mesdames L. M. Wells and Davis Gurley playing hands of all members, Mrs. M. E. Yinger entertained her informal Tea Bridge club, the Cozy Tea, during Wednesday afternoon. Nothing out of the ordinary pleasant hour passed except that it was decided not to have a game in Holy week. Mrs. James Barnard will be the Easter week hostess. Mrs. Yinger's favors were presented to the Mesdames Wells and M. C. H. Park. This was for the immediate game, scores being collected and added for the club tournament.

**MISS MAMIE SILVERS  
HONOREE AT BRIDGE**

In compliment to Miss Mamie Silvers, who is playing with the club during her visit from California, Mrs. Robert Silvers was hostess in compliment to this week's game for the Girls' Bridge club. Very pretty plans were laid in prize and luncheon provision as well as in conduct of the game. Miss Silvers' honoree favor was a pair of gold batpins. Club members, including wife, Miss Jessie Landman and Rachel Strawn. Guests other than members were the Mesdames Rosenbaum of Oklahoma City and Nathan Cinnamon. Next week, the club plays with Miss Rachel Strauss.

**REVIEW CLUB MEETS  
AT HOTEL RALEIGH**

In the gold room of Hotel Raleigh with the Mesdames Sidney Wash and Jenny Meyers as hostesses, members of the Review club with more than the accustomed number of guests, enjoyed an afternoon in poetic drama. The papers were given by the Mesdames W. H. Forrester, Forrest Jackson and Lena Barrett Starr. Minor points of business were transacted. An unexpected and very interesting feature was the talk of Mrs. Palmer of Philadelphia, along the line of Camp Fire Girls, which organization she heads in her home city. Luncheon was offered at the close of the program. Introduced as a guest was the Mesdame Palmer, May of Whitewright, J. T. Spencer of Temple, Charles McKennan, W. M. Foster, J. W. Ragsdale, L. B. Black and Miss Ida Duke.

**MORRISON'S  
"OLD CORNER"  
DRUG STORE**

All work and no play makes Jack a dull boy, so said the sage. And, so say the many scores of women who will have devoted one whole week to work

S. P. Brooks, Mrs. Flora B. Cameron, Mrs. J. W. Cobb, Mrs. W. E. Darden, Mrs. M. E. Dotson, Mrs. Morris Falkner, Mrs. Alfred Godshaw, Mrs. R. L. Henry, Mrs. Ben Gray Kendall, Mrs. Minnie Carroll King, Mrs. Walter G. Lacy, Mrs. George K. McLendon, Mrs. Thomas McCullough, Mrs. B. B. McReynolds, Mrs. H. B. Mistrot, Mrs. Richard Monroe, Mrs. E. R. Nash, Miss Ray Norman, Mrs. W. J. Nease, Mrs. Thomas Padgett, Mrs. James H. Riley, Mrs. H. C. Fisher, Mrs. Edward Rotan, Mrs. John Sleper, Mrs. W. O. Wilkes.

**Society Notes**

In paying our compliments to the women who are working for the Y. W. C. A., yet us not forget those who are donating and serving the noon lunches. They, too, are workers in the good cause.

Mrs. Sharpe Ross will be luncheon hostess in honor of Miss Grace Dyer and the girls of her wedding party. The date is to be told later.

The Misses Pharr of the South Side will introduce their Easter guest, Miss Louise Wilson of Fort Worth, in an afternoon reception.

During her very limited stay as guest of Mrs. H. K. Brewer, Mrs. J. T. McClroy met some of her friends at informal luncheon.

If ocean passage permits, upon leaving the Kyle for summer absence, Mrs. Charlotte Hoech will return home to Germany.

Now that we are out with our afternoon drives, and also are interested in our home gardening, may I inspect the various flowers and shrubs used for ever parking? By this we can decide which is most satisfactory, provided our grass simply will not grow. Here in Texas, nothing is so satisfactory as the old-fashioned Bermuda if we can only coax it into a thick green carpet.

Mrs. Jennie Meyers of North Twelfth street will spend the next few weeks in Fort Worth, where she meets a relative from Oklahoma who will be in the sanitarium. The Unions' orders are not to the contrary. Mrs. H. P. Parmelee goes to Dallas within a few days to join Lieutenant Parmelee, whose cruise to Cuba ends today. After a few days with Mrs. Louis Tyler, Mr. and Mrs. Parmelee return to Waco.

The Home Easter Tea comes with Wednesday of Easter week.

Mrs. Palmer of Philadelphia, who is guest of Mrs. F. L. Christman, North Fifth street, brings message from International association with the Camp Fire girls of her city.

On Saturday Saint Paul's Auxiliary has charge of the Market Sale in the Parish building. This is close of this feature in the women's work for Saint Paul's Guild and Auxiliary.

Cards have come from Fort Worth to announce the marriage to be of Miss Gertrude Crowder and Sam Lane. The local interest is, that the bride to be made her girlhood home in this city, among family and friends whom she has remembered with her wedding visit.

And now, Mrs. W. W. Kendall of Sprout street is added to the Waco women who recognize the value of the Young Women's Christian association to the extent to life membership.

Mrs. W. M. Foster is leader for the Auxiliary study at Columbus Street Baptist church this afternoon.

The Shakspere club, in addition to its many other plans in observance of the great Tercentenary, is making ready for a grand reunion of all former members in brilliant dinner during Tercentenary week. Among other distinguished guests they will have Mrs. John Leekle direct from Shakspere's home.

What about that Early Morning Order club? How many women have joined? This takes nothing but as system in home management. But, it brings humane treatment of man and beast.

Denial of just ten sodas this summer membership for one whole year is a great accomplishment. The first weekly tournament for the Women's Golf club comes on the Huaco club links tomorrow. Wonder who is to prove the most expert?

That was a thoughtful courtesy from the West Avenue Grammar teachers, to say nothing of the good thought planted in the minds of the children, to send flowers for the luncheon tables of the W. W. C. A. campaign workers on Wednesday.

Is it not a happy sight to note the children on their park playgrounds, how that play in the open has come? How did the little folks ever exist without their playgrounds?

Additional out-of-town guests for the McGlasson-Dyer wedding are to be Miss Annie McGlasson and Mr. D. W. McGlasson, from Plainview; Mr. C. C. Stealey and Mrs. C. C. Stealey, from DeLeon.

The study circle at Austin Avenue Methodist church this afternoon will make their new leader in Mrs. Crawford.

Mrs. Edward Rotan, who has been somewhat of a shut-in since her painful accident a week ago, is matron in charge of the luncheon for the Young Women's Christian association at the First Presbyterian church today.

After reading the Morning News appear on Thursday, Mrs. Palmer has been guest on the radio station that the women expect to attend the proposed amendment to the city charter to change the city limits. A petition has been presented, but not acted upon, asking that the Nailey school district be excluded from the city limits. The petition is from the people of this district.

The first weekly tournament for the Women's Golf club comes on the Huaco club links tomorrow. Wonder who is to prove the most expert?

Additional out-of-town guests for the McGlasson-Dyer wedding are to be Miss Annie McGlasson and Mr. D. W. McGlasson, from Plainview; Mr. C. C. Stealey and Mrs. C. C. Stealey, from DeLeon.

The study circle at Austin Avenue Methodist church this afternoon will make their new leader in Mrs. Crawford.

Mrs. May of Whitewright is among present visitors to the city.

Mrs. H. S. Long and Miss Mildred Jessells of West Jefferson, returned from Taylor on Thursday.

Among departures for today is that of Mrs. Carl Feist, of Dallas, and Jefferson, who speaks the next few days in Houston and Galveston.

Mrs. Hunt Jones of West Columbus, who is guest of Mrs. Thomas Parke in Kyle, will be at home with Tuesday.

Miss Duley Pearson of Richmon, comes up from "State" today. She will be guest of the Misses Farrel, West Morrow.

On Saturday Mrs. Eugene McNutt of Fort Avenue leaves for the grand opera season in Atlanta.

After a two weeks' visit with her family here, Mrs. Martha Brooks Gunderson has returned home to Denver.

Miss Cora Wills of Corsicana is with Mrs. Lee Neblett for a few days.

Today notes the homecoming of the Mesdames Robert Potts and Luke

If Uncle Sam's orders are not to the contrary, Mrs. H. P. Parmelee goes to Dallas within a few days to join Lieutenant Parmelee, whose cruise to Cuba ends today. After a few days with Mrs. Louis Tyler, Mr. and Mrs. Parmelee return to Waco.

The Home of the Tea comes with the arrival of Easter week.

Mrs. Palmer of Philadelphia, who is guest of Mrs. F. L. Christman, North Fifth street, brings message from intimate association with the Camp Fire girls.

On Saturday, Saint Paul's Auxiliary has charge of the Market Sale in the Parish building. This is close of this feature in the women's work for Saint Paul's Guild and Auxiliary.

Mrs. Gandy has come from Fort Worth to announce the marriage to be of Miss Grace Crowder and Sam Lane. The local interest is that the bride to be made her girlhood home in this city, among family and friends whom she has remembered with her wedding invitation.

And now, Mrs. W. W. Kendall of Speight street is added to the Waco women who recognize the value of the Young Women's Christian Association to the extent to life membership.

Mrs. W. M. Foster is leader for the Auxiliary study at Columbus Street Baptist church this afternoon.

The Shakespeare club in addition to its many other plans in observance of the great Tercentenary is making ready for a grand reunion of all former members in brilliant dinner during Tercentenary week. Among other distinguished guests they will have Mrs. John Leekie direct from Shakespeare's home.

What about that Early Morning Order club? How many women have joined? This takes nothing but the moment of forethought as well as system in home management. But, it brings humane treatment of man and beast.

Denial of just ten sodas this summer means membership for one whole year in the Young Women's Christian association.

The first weekly tournament for the Woman's Golf club comes on the Huaco club links tomorrow. Wonder who is to prove the most expert.

That was thoughtful courtesy from the West Avenue Grammar teachers, to the nothing of the good thought planted in the minds of the children, to send flowers for the luncheon tables of the Y. W. C. A. campaign workers on Wednesday.

Additional out-of-town guests for the McGlasson-Dyer wedding, Miss Annie McGlasson and Mrs. Z. C. Stealey of DeLeon.

The study circle at Austin Avenue Methodist church this afternoon will meet their new leader in Mrs. Crawford.

Mrs. Edward Retan, who has been somewhat of a shut-in since her painful accident a week ago, is matron in charge of the luncheons for the Young Women's Christian Association at the First Presbyterian church.

After reading the Waco Evening News

on Thursday, how many women expect the "instant that their husbands should have the very best window boxes in the downtown district?" We hope every single one.

I am especially interested in the sanitary condition of this city and the health problem." This quoted from Mayor Hollings' inaugural speech, sounds more than welcome to the women of Waco. We are going to look to you, Honorable Mayor.

LEST WE FORGET; LEST WE FORGET.

(I Chron. 21:9-14)  
The Lord spake unto Gad, David's seer, saying, go and tell David, saying:

Thus saith the Lord, I offer thee three things; choose the one of them that I may do it unto thee.

So God came to David, and said to him, thus saith the Lord, choose thee.

Either three years' famine; or three months to be destroyed before thy foes; while that the sword of thine enemies overtake thee; or else three days the sword of the Lord, even the pestilence, in the land, and the angel of the Lord destroying throughout all the coasts of Israel.

And David said unto God, I am in a great strait; let me fall now into the hand of the Lord; for very great are His mercies; but let me not fall into the hand of man.

So the Lord sent pestilence upon Israel; and there fell of Israel seventy thousand men.

## STRIKING THE HOUR OF PROGRESS.

These figures, which are disclosed in the report of Comptroller of the Currency Williams, tell a story which needs no embellishment:

The aggregate resources of the national banks of this country exceed by three billions of dollars the combined resources of the Bank of England, the Bank of France, the Bank of Russia, the Reichsbank of Germany, the Bank of Netherlands, the Swiss National bank and the Bank of Japan.

The increase in deposits of our national banks during the last twelve months exceeded their total deposits in 1896, and amounted to over two billions of dollars.

This vast reservoir of stored up energy will soon run over. The day of big development is at hand. Waco is getting ready for it.

The baseball season is on, and if Villa expects to hold his own in the public eye he must step lively.

The house stands for free sugar and the senate would postpone it until May, 1920. A tariff on sugar is a tax on a necessity, and the democratic doctrine is that luxuries shall take the burdens of the tariff.

A strike of street car employees in Cleveland, Ohio, is about to strike out the three-cent fare for which that city has fought long and vigorously. There is a lesson about building a house on the sand which never grows old or loses its pungency.

The shortage of the tax collector of Harris county is in the neighborhood of \$100,000. Regular audits would have saved both the county and the official. Too much trust is a bad thing in private business, and wholly inexcusable in public affairs.

The College of Industrial Arts at Denton is to get a new dormitory, Breckenridge Hall, at a cost of \$112,000. There is a marked increase of interest in educational affairs in Texas, and its effect touches almost every community. Progress is the watchword everywhere.

The republican convention of the Fifth Oklahoma congressional district split at an early stage of the proceedings and each selected delegates to the national convention and a candidate for presidential elector. If this habit is continued, the race will not be warm enough to give Woodrow Wilson healthy exercise.

Good morning, Mayor John Dollins, and Commissioners Stamps and Harlow. May your official career be coincident with the most rapid development ever known by the city of Waco, and may the same spirit of unity which pervades the municipal, commercial and social atmosphere of this city abide here throughout your administration.

Colored republicans at Houston are first at the bat with an endorsement of MacGregor and Broyles of Houston, McCarthy of Galveston and Baer of Paris for delegates at large to the republican national convention. That means something, and it is up to Mose Harris, of San Antonio, to find out what it means.

## DON'T BE ALARMED, MR. WAPLES.

Chairman Paul Waples is of the opinion that not over ten per cent of the counties of the state will hold a "run-off" senatorial primary, that the counties are not going to assess county candidates to pay the expense of it, that the majority vote will be a joke, that the action of the democratic executive committee at Hillsboro was merely a matter of expediency, and that it could not legalize the second primary. He predicts that the law will be changed, and says he would not be surprised if the candidate receiving the highest vote in the first primary should sue out an injunction to prevent the holding of another primary.

It is clear enough that Chairman Waples is not a believer in the primary, anyway, and that anything connected with it looks to him like an insuperable obstacle.

Many good people thought it would be impossible to hold a primary in 1908 to choose delegates at large to the democratic national convention, but it was held and all democrats acquiesced in the results.

The candidate who attempts to reach the United States Senate via the plurality route will land in the ditch instead of the senate.

The democratic masses will select the United States senator, and the convention managers will not have anything to say about it.

If it's news you want, scan the News for it; if essays, look elsewhere.

It would be easier to believe that Villa is dead if he didn't keep on robbing her roosts.

China has almost reached the point where she is ready to swap her pig-tail for a lamb chop.

England has put gold on the contraband list, but it has been there so often gold doesn't feel bad about it.

England has captured 322,450 square miles in Africa and would be glad to swap them for five square miles around Verdun.

Carranza is going over to the City of Mexico soon to see whether there have been any changes since he hit the sea-coast trail.

According to Jagow, the North Sea is a floating volcano, likely to explode anywhere at any minute. Let's send Roosy out to see about it.

The Navy League is making faces at Secretary Daniels, but as he is something of a photograph album himself, he doesn't mind that.

The New York Tribune comes out for Roosevelt for president. Whitelaw Reid thinks he is an echo of the court of St. James, but he is not always right about it.

Beaumont is to have a rose show for April 28 and 29. The secretary will please reserve a choice space for our entry of Editor Hobby as a flaming morning glory.

The government is about to take up a machine which manufactures powder in war and fertilizer in peace. It is, so to speak, a sort of Mechanical Billy Sunday.

Congressman Eagle has been trying to dodge the aspiration for re-election, but he couldn't do it. The trumpet call of duty, as he now hears it, is saying "Come back, Joe."

The Du Pont powder plant has blown up again. Uncle Sam is an unsuspicious person, but just as a matter of curiosity, he would like to see the kaiser turn his vest pocket inside out.

Los Angeles is trying to swap off 75,000 indigent Mexicans. It might be wise to consider the erection of a ten-foot fence on the western border before the idea of July come upon us.

Paris reports that the women are cutting down expenses and simplifying styles on account of the war. By and by a Paris gown may be big enough to use for gathering tomatoes in an off season.

The latest picture of Roosevelt shows him with what Widow Bedott would call an expectant look and his left foot forward. About like the lion which sat for a kodak picture on that African trip.

Warren, Ill., has a female mayor, and men are not permitted to beat their wives or spit tobacco juice on the streets. They haven't decided yet just how far they will put the traces on their women.

Dr. Haberlin told a Berlin newspaper that German manufacturers were learning to make toys without cotton, but he didn't admit that the children don't have half as much fun with them as they used to have.

Senator Works, himself a republican, roundly denounced the attempt to draw Justice Hughes into the contest for the republican nomination for president. It does look like a vile conspiracy against the dignity and happiness of a good man.

MARLIN DELEGATION  
WILL GO TO EDDY

FORTY AUTOS WILL CARRY MEMBERS OF CONNALLY CLUB TO PLACE OF SPEAKING.

Luncheon Will Be Taken in Waco This Noon—Commercial Club Elects.

Special to the Morning News.

Marlin, April 13.—Forty autos have been pledged to leave Marlin Friday morning, bearing members of the Marlin Tom Connally club to Eddy, where Hon. Tom Connally will at 3 o'clock in the afternoon make his opening speech in his campaign to succeed Congressman Robert L. Henry in congress.

The route selected by the campaign committee of the club leads through Waco and the entire delegation will take luncheon in that city, after which they will proceed to Eddy.

Mrs. Nannie E. Curtis of Waco, is among the guests at a local hotel, coming here to recuperate while taking the hot baths.

Today at noon, D. S. Caldwell of the Marlin high school, left for the A. and S. school in charge of a specially selected track team for the purpose of helping Marlin school compete for honors in the state track meet, which opens the preliminaries Friday morning.

The Marlin team selected to compete for honors at this meet includes Trousdale Brown, T. A. Cheever Jr., Bill Dupuy, J. E. Beard, Claude Holt, Eugene Herring, George Gardner, Clyde Nelson, Oscar Phillips, Lester Levy and William Kunze.

In order that the contestants from Marlin will be cheered as they gain their coveted places and urged on to do their best, a committee of the best rooters in the school will accompany the aggregation, among whom are L. E. Allen Jr., Charles Bartlett, Leroy Johnson and Bernard Harter.

At a meeting of the newly elected directors of the Marlin Commercial club, G. W. Glass, was re-elected president of that organization; J. P. Gardner, first vice president; Dr. L. P. Robertson, second vice president; M. V. Bradshaw, treasurer, and A. C. Connally, secretary.

## Y. M. B. L. Organized at Abbott

Special to the Morning News.

Abbott, April 13.—Farmers report that only in low places will it be necessary to re-plant corn, but beans, Irish potatoes and cabbage plants have suffered from the Sunday morning frost.

The little town of Abbott will be lighted by street lights. The Texas Power &amp; Light company is today installing street lights.

The young men of the town have organized a Y. M. C. L., having for its purpose, primarily, good roads. The "split log drag" will be employed on all roads leading into the town and the expense will be met by the league.

Dr. A. J. Barton, superintendent of the Anti-Saloon League of Texas, will address the citizens here on Sunday night, April 23, at the First Baptist church.

Farmers over this community are busy planting cotton. The acreage is going to be reduced over former years and more attention given to small grain.

## Cuero Buys Fire Hose.

Cuero, April 13.—Contracts were closed by the city officials here this week whereby 500 feet of fire hose was purchased and added to the stock on hand. The wagons will carry fully 500 feet, while the chemical wagon carries an abundance of hose for the chemical tank connection. The three fire autos are well equipped for fighting fires, the new hose taking the place of some older hose and allowing a supply to be on hand in case of an unusually long string being made at a fire.

## Mart Home Talent Play at Riesel.

Mart, April 13.—The home talent entertainment given by the ladies of the Baptist Missionary society last Friday night will be repeated tonight in Riesel. The participants will be carried over in cars and the entertainment will be given in the Airdome.

## Mrs. E. L. Darwin Dies of Meningitis

By the Associated Press.

Dallas, April 13.—Mrs. E. L. Darwin, assistant state pure food and drug commissioner, died here yesterday at 10:30 a.m. in Gainesville, Texas.

Mrs. Darwin during her several trips to this city in connection with cleaner dairies and more sanitary grocery and food supply stations, became well known and formed many warm personal friendships. She was due to be in Waco for two weeks in the early part of May to continue the crusade of sanitation which has been started by the club women of the city.

When told of the death of Mrs. Darwin in the Morning News last night, Mrs. E. M. Dotson, president of the Federation of Women's clubs, expressed deep regret, which is shared by numbers of women of the city who worked with the pure food inspector in her work here. Mrs. Darwin was known to be a woman of vigorous health and no intimation of her death had been received, so that the announcement came as a distinct shock.

As the coincidence of fate happened, on the day of the death of Mrs. Darwin, the announcement had been published of the creation of the position of city bacteriologist for Waco, which was one of the things that was expressed by the women of Waco as expressed in the campaign led by Mrs. Darwin.

## Lorena Woman's Club Entertained.

Lorena, April 13.—The Lorena Woman's club was entertained in the I. O. O. F. hall Tuesday evening by the Mesdames Bivins, Schwinn and Bowman. The hall had been artistically decorated in palms and ferns by Mr. Schwinn, and the club colors of purple and gold were in evidence throughout. Mrs. Schwinn was stationed at the door and pinned a beautiful bouquet of violets on each guest as they entered. At the close of the business hour refreshments consisting of strawberry ice cream and cake were served by the hostesses.

## join this well-dressed group on Easter Day

The custom tailored man always occupies a conspicuously distinctive place in a well dressed group on Easter day—if you want to occupy such a position its really necessary to wear made to measure clothes.

*There's plenty of time left to have your clothes tailored to your measure. On an average of 5 days and sometimes even less, we can deliver your made to measure suit all ready for you to wear.*

You'll like the smart patterns and correct styles we're offering you for Easter wear—they reflect a degree of genuine distinction that proves a real delight to men who take their appearance as an important and serious matter.

Your Spring suit ought to be made by The Continental Tailors of Chicago.

## Texas Lumbermen Honor W. W. Pryor

By the Associated Press.

Dallas, April 13.—After re-electing President T. R. Griffiths of Dallas, and selecting Galveston as the 1917 meeting place, the Lumbermen's association of Texas adjourned its thirteenth annual convention here today. Other officers elected were: C. H. Flato, Jr., Kingsville, first vice president; W. W. Pryor, Waco, second vice president; J. C. Dionne, Houston, re-elected secretary, and R. M. Farrar, Houston, re-elected treasurer.

For Worth and Houston were also candidates for the next convention city, but withdrew in favor of Galveston.

One of the most important questions brought before the convention was the alleged discriminatory rules on lumber over the Santa Fe railroad from points on southern Louisiana to west Texas and New Mexico points. The matter will be given attention by a committee composed of J. M. Rockwell, Tom Blake and H. E. McAdams, who will represent the association in an endeavor to have the so-called arbitrary rules abolished.

Gatesville Octogenarian Dies.

Gatesville, April 13.—J. Hirsch, age 84 years, died here last night and was buried today. He had been a citizen of this county many years. He is survived by his widow and several children and grandchildren. Mr. Hirsch came from Washington county to this country.

Fishing Party on Bosque.

Special to the Morning News.

Lorena, April 13.—W. A. Brown, C. A. Jones, J. C. Hooper, Roy Hatch and B. F. Pendavis constituted a fishing party over to the Bosque yesterday. As is usually the case, plenty of fish was caught and a general good time had, is the report.

Eddy "Jolly Workers" Meet.

Special to the Morning News.

Eddy, April 13.—Mrs. S. J. Roming was hostess to the Jolly Workers club today. The lesson for the afternoon was "The Farm Orchard." Mrs. Bolin rendered a piano solo and readings from "Writings and Writings of Texas" followed.

By the Associated Press.

Austin, April 13.—The first annual settlement papers of tax collectors due in the comptroller's department on or before the first of May were received today from Tax Collector E. C. Seal of Karnes county and William Mennike of Fayette county. The reports due May 1 cover all transactions of the tax collectors during 1915.

## Lorena Woman's Club Entertained.

Special to the Morning News.

Lorena, April 13.—The Lorena Woman's club was entertained in the L. O. F. hall Tuesday evening by the Mesdames Bivins, Schwinn and Bowman. The hall had been artistically decorated in palms and ferns by Mr. Schwinn, and the club colors of purple and gold were in evidence throughout. Mrs. Schwinn was stationed at the door and pinned a beautiful bouquet of violets on each guest as they entered. At the close of the business hour refreshments consisting of strawberry ice cream and cake were served by the hostesses.

## The Doctor's Advice by Dr. Lewis Baker

The questions answered below are general in character, the symptoms or diseases are given and the answers will apply in any case of similar trouble. Those desiring further advice, free, may address Dr. Lewis Baker, College Bldg., College-Ellwood Sts., Dayton, O., enclosing self-addressed stamped envelope for reply. Full name and address must be given, so that my initials and fictitious name will be used in my answers. The prescriptions can be filled at any well-stocked drug store. Any druggist can care of wholesalers.

Miss Adele writes: "My hair is coming out, my scalp itches and dandruff is very annoying, and I want something to cure these conditions."

Answer: For hair and scalp troubles I have never found anything to equal the beneficial results of a thorough treatment of plain yellow myrrin. It is cooling, cleansing and invigorating, and those now use it regularly as a hair and scalp tonic.

Henry J. C. writes: "Something seems to be wrong with my system and I don't know what it is. I have huge puffs under my eyes, my eyes are bloodshot in morning and my feet and ankles are swollen. Sometimes I have chills and feel weak and tired most of the time."

Answer: Your eliminating organs, such as liver and kidneys, are in need of treatment. Begin taking hawthorn tablets at once. Get them in sealed tubes with full directions from any well-stocked druggist.

C. M. C. asks: "Please relieve me of a coated tongue, foul breath, headache, constipation and general ill health."

Answer: If you are actually constipated, you should take three-grain sulphur tablets (not sulphur) and arouse the organs which eliminate waste material from your body. These tablets purify the blood and improve the health by acting on the liver, kidneys and bowels. Obtain in sealed tubes with full directions.

"Sarah" says: "Can anything be done for one who is bothered with rheumatism. If so, please reply."

## Connally's Friends Will Go to Eddy for Opening

Forty autos containing admirers of Tom Connally from his home city of Marlin are expected in the city some time this morning to join the delegation going from here to Eddy for the opening of his campaign for the senate at that place. The Marlin delegation will leave lunch in the city, and will leave with the Waco delegation at 1:30 from the New State House. Several autos will carry Waco friends of the candidate.

## MEMBERS GENERAL COMMITTEE HOUSTON'S SIXTEENTH ANNUAL TRADE TRIP

Quietly like a thief in the night the special train bearing the Houston Boosters in the sixteenth annual trade excursion under the auspices of the Chamber of Commerce slipped into the city at midnight to take charge of Waco for a few hours this morning, and right gladly will the municipality be given to them to use as they will—for the time being. The excursionists have their own sleeping and dining accommodations and are happily equipped for the four days' trade excursion that they have been making.

They will be the guests of the Young Men's Business League and the Waco Chamber of Commerce for an automobile ride of the city early this morning. After the sightseeing tour of the city, the visitors will promenade over the business district and the famous Lewis band which is accompanying the boosters will give a concert downtown.

of ambitious men there were shouts of "T. R."

### NON-PARTISAN SERVICE DEMANDED.

What the nation demands now, the president said, is service essentially non-partisan, not only in consideration of foreign affairs, but in domestic affairs as well.

Referring incidentally to Mexico, he told of how a man had urged that trustees for that nation's welfare be chosen and of his reply that no nation had achieved real prosperity through a trusteeship imposed on it from above. In the first speech of a political nature the president had made for several months and was delivered before an audience including nearly all the members of his cabinet. Democratic members of the senate and the house, democratic state chairmen from many states and other high officials of the nation and states, gathered to attend the annual banquet of the Commission on International Trade.

REFERRED TO AS "NEXT PRESIDENT."

The president was referred to repeatedly as "the next president" by Senator Hollis and Walsh and Representative Glass, who preceded him, and each utterance of his name was received with enthusiastic applause. Senator Walsh spoke of the president as a man "who shuns war as the supreme calamity which can befall the nation," but who nevertheless prepares for war.

"May God continue to preserve the nation in peace," the senator added.

Mrs. Wilson and the wives of the cabinet officers occupied a box during the speaking.

### Shreveport Rate Arguments End

By the Associated Press.

Washington, April 13.—Closing arguments were heard by the Interstate Commerce Commission today on the so-called Shreveport rate cases. Five separate cases were involved—eastern Texas class rates, class rates from Shreveport and three complaints of the railroad commission of Louisiana.

The original Shreveport rate case, involving the right of the railroads to charge more for east bound than west bound traffic reached the supreme court on the former occasion and was referred back to the Interstate Commerce Commission. The carriers filed tariffs in compliance, they declare, with the commission's decision, but these tariffs have been attacked.

### Dallas Conductor Starts Big Suit

By the Associated Press.

Chicago, April 13.—A. K. Hunt of Dallas, Texas, a railroad conductor, filed suit in the United States district court here today against J. W. Higgins and the General Managers' association in which he asks \$50,000 damage and declares that the association is in restraint of trade. Higgins is principal officer of the association, an Illinois corporation, which the bill says is composed of managers of many large corporations and railroad companies.

This bill Hunt sets forth that he is 46 years old and in excellent physical and mental condition, but is unable to get work because of a rule of the association making employees' age limit 45. This rule, the bill recites, is unconstitutional and a violation of laws against restraint of trade.

## Speakers' Club Would Abolish Reservation in This City

C. H. Babb and Oscar Adwan defeated W. Roy Christian and G. Franklin Campbell in the weekly debate at the Waco Speakers' club on the question, "Resolved, That the restricted district of Waco should be abolished."

The debate was one of the warmest speakers' battles ever waged under the auspices of the club, and it was only after a very lengthy deliberation that the judges decided, two in favor of the affirmative and one for the negative, voting Mr. Christian honorable mention as the best speaker of the evening.

Another feature of the evening's program was the eloquent address of Roger Q. Flournoy upon the "Relationship of the Citizen to the Government." He said that without an intelligent and patriotic citizenship, no form of government has any guarantee of success. He dealt in part with the economic and governmental policies which demand the thoughtful attention of the citizen. He declared that the building up of rural environment would make country life profitable and attractive, causing the people to turn away from the city to the real life on the farm, that when the rural districts are developed as we should, will be distributed the blessings of government in a large measure to all classes. He closed with an appeal to young men to fit themselves for better citizenship.

Full name and address must be given, but only the initials of the name will be used in my answers. The prescriptions can be filled at any well-stocked drug store. Any druggist can order of wholesaler.

Answer: You can be relieved of your rheumatism if you take the following: Mix by shaking well and take a teaspoonful at meal times and at bed time and you will soon be relieved. Comp. essence cardiol, 1 oz.; comp. fluid balsam, 1 oz.; syrup capariciae, comp. 5 oz.; wine colchicum, one-half oz.; sodium salicylate, 4 drams; iodide of potassium, 2 drams.

Miss Bertie L. asks: "What remedy can you recommend to reduce obesity safely? I want to reduce about thirty pounds."

Answer: I rely on five-grain arboline tablets as being the most effective and convenient treatment to reduce abnormal fat. Druggists supply this in sealed tubes with complete directions. After the first few days a pound a day is not too much reduction.

Henry J. C. writes: "Something seems to be wrong with my system and I don't know what it is. I have huge puffs under my eyes, my eyes are bloodshot in morning, and my feet and ankles are swollen. Sometimes I have chills and feel weak and tired most of the time."

Answer: If habitually constipated, you should take three-grain sulphur tablets (not sulphur) and arouse the organs which eliminate waste material from the body. Then take purifying the blood to improve the health by acting on the liver, kidneys and bowels. Obtain in sealed tubes with full directions."

"Sarah" says: "Can anything be done for one who is bothered with rheumatism. If so, please reply."

### Increase in Navy League's Demand

By the Associated Press. Washington, April 13.—A national defense commission, a navy general staff and an immediate increase in the navy were demanded in resolutions adopted here today at the final meeting of the annual convention of the Navy League of the United States. Officers of the league were instructed to urge congress to enact the necessary legislation.

Franklin D. Roosevelt, assistant secretary of the navy, defended the navy against criticism from those who he said were trying to gain personal or political profit. Shortage of personnel, he declared, did not arise with the present administration.

**2 ANOTHER NEW CATCHER  
IS SIGNED BY WACO**

ELLIS HARDY BUYS KUHN FROM  
OAKLAND OF PACIFIC COAST  
LEAGUE—ON HIS WAY.

Navigators Have Three Seasoned Re-  
ceivers on Roster, Which  
Looks Much Better.

Waco has another new catcher.  
No, we don't mean Peters, the Chat-  
tanooga star who joined the club at  
Fort Worth yesterday; this is a new  
one, just signed yesterday and one whom many  
Wacoans will remember. Also he is red-  
headed.

Name's Kuhn.

Kuhn was obtained from the Oakland  
team of the Pacific Coast league, and  
started for Waco yesterday. The last  
time he was in Waco was when the White  
Sox trounced here several years ago. Kuhn  
was with the Chicago American ro-  
ster and was sent by the White Sox to the  
Pacific coast. For several seasons he  
has been one of the best men in the  
Coast league, but Oakland had more  
catchers than were needed, so Ellis Hardy  
was fortunate enough to nail Kuhn for  
the Navigators.

"Oh, for another catcher" was the cry  
of the Waco fans at the beginning of the  
year, and the Big Skipper was silently  
thinking the same, although he was say-  
ing a word or two. Then word came  
that Peters had been brought from Chat-  
tanooga. Hardy said he believed Peters  
would fill the spot exactly. But he's  
not taking any chances. So he bought  
Kuhn. Now, instead of just good old  
Turkey Reilly by himself, the club has three  
seasoned veterans to work behind the  
bat. And Ellis will have a chance to look  
out over the middle which two of the  
three will keep.

Of course nobody is looking for either  
of the new men to nose Turkey Reilly  
out, but it's a cinch that neither of them  
is going to admit that the old Navigator  
stands up well behind him, and it will be a  
fight to the finish. All of which ought  
to help in winning games.

Special to the Morning News.

Fort Worth, April 13.—Waco won  
today's game with Fort Worth, 2 to 0.  
A two-bagger by Malmquist and Wohl-  
leben's home run featured the batting,  
driving Fentress from the box in the  
fourth.

In the fateful inning, with two men  
down, Malmquist slashed a slow ball  
from the hand of Fentress for a dou-  
ble, and Wohlleben immediately put  
the ball over the left-field fence  
for two runs. Reilly hit and Fentress  
was yanked for Trotter. Hill pitched  
great ball and received brilliant sup-  
port. The score:

### ROBINSON SCHOOL HAS MEETING TONIGHT TO DECIDE ON PLANS

For the consideration of plans for an \$8000 school building that is contemplated for the Robinson community, a meeting of the patrons will be held at the building this evening. Architects will be present and display prospective plans for the structure. Men on the building committee have invited the women of the community to be present for the meeting.

Last Wednesday, the Ladies' Improvement society with forty-five hired workers and many volunteers, gave a thorough overhauling and cleaning to Robinson cemetery and the women served a picnic lunch.

The outcome of the modern school will mean a strong parent-teachers' club for the Robinson school, it is thought.

## MACCABEE RALLY IS RECORD FOR TEXAS

DISTRICT MEET OF LADIES OF ORDER SAID TO BE MOST COMPLETE HELD IN STATE.

### ATTENDANCE IS GRATIFYING

High Officials of Order Are on Program—Closing Session This Afternoon.

What has been declared to be one of the largest and most complete rallies ever held in this state by the Ladies of the Macabees started here yesterday morning under the auspices of the Women's Benefit association of the Macabees. Sessions were held yesterday morning, afternoon and night in the Progress hall, Eighth and Austin street. Several hundred were present at each session and at night the hall was taxed to its capacity, a number of visitors being present to hear a splendid and varied program.

Mrs. Laura B. Hart of San Antonio, great commander of Texas, presided at the session last night and an address of welcome in behalf of Waco was delivered by John Maxwell, city attorney. Mr. Maxwell stated that he felt honored to address such a gathering and assured the delegates they would ever find a welcome at the doors of Waco when the rallies were held in the city. In his closing words he paid a high tribute to the order.

That women now had a lower death rate than men which had caused the time when some orders considered it a great risk to insure the life of a woman, was stated by Miss Francis D. Partridge, supreme record keeper, of Port Huron, Mich., who was the next speaker of the evening. She stated that because the Macabees had more

"DODSON'S LIVER TONE" BETTER THAN CALOMEL AND CANNOT SALIVATE.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It causes into sour bile like dynamite, cramping and sickening you. Calomel attacks the bowels and should never be put into your system.

Officials of the order were greatly pleased with the attendance at the sessions, the following places sending the largest delegations: Los Angeles, Cameron, Mineola, Tyler, Lott, Palestine, Bremond, Temple, Ennis, Bryan, Thornton, Rosebud, Amarillo, Terrell, and Wortham.

#### RALLY CLOSES WITH AFTERNOON SESSION TODAY.

Two sessions will be held today which will close the rally. At 9:30 o'clock the morning session will open with a school of instruction for financial officers under the supervision of the supreme record keeper. The session will be held in the assembly room of the Raleigh. At noon a luncheon will be given, which also will be held at this hotel.

With the following program for the afternoon, the rally will be brought to a close.

Beginning at 2 o'clock: Regular opening by visiting officers and guard, with Mrs. Karmey, San Antonio, presiding.

per capita than any other it was the richest organization of this kind in the United States. The different forms of protection offered by the Macabees and their several values were explained by Miss Partridge. She had especial emphasis on the hospital service which is maintained at less than 1½¢ a week from each member of the order.

#### ORDER INVESTS ITS CAPITAL IN TEXAS.

"One-eighth of the order's bonds was spent in Texas," stated Miss Partridge, "and the investments have always proved of great value. The Texas members of the order have been increasing rapidly and are to be congratulated on going from class three to class two and from small indications it will not be long until they are in the first class. Texas has more members than other states that are more populous than Texas.

On the battle of the order, Mrs. Reid, celebrant, with Mrs. Botzler, was very impressive. Other numbers on the night program were: solo solo, Mrs. Burnett; violin solo, Miss F. A. Peeler; piano solo, accompanied by Harry Lee Spencer; vocal solo, J. W. Hester; dance, Miss Harriet Crisman Cox; vocal number by the Macabees Glee Club and a fancy drill by the Waco review. The latter feature was a very attractive one and the local team was highly complimented.

#### INITIATION CEREMONIES AT THE AFTERNOON SESSION.

The afternoon session yesterday was called to order by Mrs. Sallie D. Botzler, district deputy after a question box was conducted. The Palestine review No. 67 initiated a large number of candidates, their work creating a number of complimentary remarks. Mrs. Anna Shuford of Tyler gave a paper on the history of the Macabees and told of the wonderful progress it had made, and also told of the possibilities that the order now faced. She expected it to continue growing and maintain its present high standard.

Temple review No. 12 demonstrated the solemn service of draping the charter. Their execution of this work was declared to be faultless by officials of the order.

Mrs. Anna M. Polson of the Lott review was a very interesting talk on the general work of the order, which was followed by a paper on "Factors Necessary for a Live Review" by Mrs. Stella Slemm. The paper was of great value to the younger reviews and dealt with points that are essential if a review is to acquire the highest standing. A drill by the Corsican team which was called to order by the fund march concluded the afternoon program.

Through the courtesy of the Young Men's Business League the delegates were given an auto ride to the principal points of interest in the city.

#### WELCOME ADDRESS IS MADE BY TIREFY.

At the opening session yesterday morning the supreme officers, Rev. John Morris and Assistant City Attorney Jake Tirey were escorted to the rostrum by a guard of honor, which consisted of seven teams led by eight color bearers and

## BEST FOR LIVER, BOWELS, STOMACH, HEADACHE, COLDS

THEY LIVEN THE LIVER AND BOWELS AND STRAIGHTEN YOU RIGHT UP.

DON'T BE BILIUS, CONSTIPATED, SICK, WITH BREATH BAD AND STOMACH SOUR.

Tonight sure! Take Cascarets and enjoy the nice, gentlest liver and bowel cleansing you ever experienced. Wake up with your head clear, stomach, sweet, straight and feeling good. Get rid of sick headache, biliousness, constipation, diarrhea, sour stomach, bad colds. Clear your skin, brighten your eyes, quicken your step and feel like doing a full day's work. Cascarets are better than salts or calomel because they don't shock the liver or grip the bowels or cause inconvenience all the next day. Mothers should give cross, sick, bilious, feverish children a whole Cascaret any time, as they cannot injure the thirty feet of tender bowels.

Are you protected against loss by fire? If not Rogers and Gant will insure you before night. 403 Americana.—Adv.

Mrs. Anna M. Polson of the Lott review gave a very interesting talk on the general work of the order, which was followed by a paper on "Factors Necessary for a Live Review" by Mrs. Stella Sloan, Corsicana. This paper was of great value to the younger reviews, it dealt with points that are essential if a review is to acquire the highest standing. A drill by the Corsicana team which was called the flower fund march concluded the afternoon program.

Through the courtesy of the Young Men's Business League the delegates were given an auto ride to the principal points of interest in the city.

WELCOME ADDRESS IS MADE BY TIKEY.

At the opening session yesterday morning the supreme officers, Rev. John Morris and Assistant City Attorney Jake Tiley were escorted to the rostrum by a guard of honor, which consisted of seven teams led by eight color bearers and

## CALOMEL MAKES YOU SICK, UGH!

"DODSON'S LIVER TONE" BETTER THAN CALOMEL AND CANNOT SALIVATE.

Calomel loses you a day! It's mercury; quicksilver. Calomel is dangerous. It crashes into sour bile like dynamite cramping and sickening you. Calomel attacks the bones and should never be put into your system.

A vocal solo was rendered by Miss Alma Webb following an invocation by Rev. Mr. Morris. Mrs. Hart introduced Mr. Tiley, who gave the welcome address, representing Mayor John Dolling. On behalf of the review a welcome was given by Mrs. Jewel Holt. Mrs. Hart responded and introduced Miss Partridge. Miss Partridge told of the work that was being conducted at the headquarters at Port Huron and said that there were more than a hundred women employed there, and also the hospital service, which had benefited between 700 and 800 women of the order.

A vocal solo was rendered by Miss Alma Webb and a business session followed. The flower fund plan was laid before the Tiley review. An offering was taken and will be sent to the Paris reviews, which suffered a heavy loss in the recent big fire there.

Officials of the order were greatly pleased with the attendance at the session, the following plan being adopted by the largest delegation: Corsicana, Cameron, Mineola, Tyler, Lott, Palestine, Bremond, Temple, Ennis, Bryan, Thornton, Rosebud, Amarillo, Terrell, and Wortham.

RALLY CLOSES WITH AFTERNOON SESSION TODAY.

Two sessions will be held today, which will close the rally. At 9:30 o'clock the morning session will open with a school of instruction for financial officers under the supervision of the supreme record keeper. This session will be held at the assembly room of the Raleigh. At noon a luncheon will be given, which also will be held at this hotel.

With the following program for the afternoon session, the rally will be brought to a close.

FIELD ORGANIZER SPENT BUSY DAY YESTERDAY MAKING ADDRESSES.

Total Number of Memberships Is Expected to Approach 1400 Mark by Noon Today.

Upon returning to Waco to stay until the Young Women's Christian association is an actuality in this city, Miss Mildred Corbett, southwestern organizer, spent a busy day yesterday. At 3 o'clock yesterday afternoon she addressed the girls of the Central grammar school and at 5 o'clock addressed the business girls of the Sanger company. Last night she spoke to the girls of the Independent Telephone company. At all three places Miss Corbett outlined the work that has been accomplished by other associations and told what the Waco organization would be expected to do. She was enthusiastically received and considerable interest was manifested by the girls at all the meetings.

Although the 1000 mark was passed in the membership campaign Wednesday, the campaign workers still canvassing the districts of the city. At the regular noon luncheon yesterday at the First Presbyterian church when the official report was made, it was announced that the total number of members was now 1211 and that another life member, Mrs. W. W. Kent, had been received, which made the total number of life members nine. It was estimated last night by the campaign workers that the total number of members had gone past the 1000 mark and will probably be nearing 1400 by the noon luncheon today. When the campaign closes Saturday the figure is expected to be several hundred past the 1000 mark, the mark which was at first set to work to pass.

As memberships are being issued the members are requested to take part in the mass meeting Sunday afternoon at 3:30 o'clock at the Austin Avenue Methodist church. At this meeting officers and the board of directors will be elected. Reports will be made of several committees which will probably include the committee that was appointed to find a permanent location for the association.

Saturday noon practically all members report will be made and at the rate the teams have been working the city will be thoroughly canvassed by that time.

Department of Insurance and Banking, State of Texas, No. 207, Austin, Texas, March 23d, 1916. To All Whom It May Concern: This is to certify that the Southern Union Life Insurance Co., doing business in this state, has in all respects fully complied with the laws of Texas as conditions precedent to its doing business in this state, and I have issued to said company a certificate of authority from this office for the year ending the 25th day of February, 1917. Given under my hand and seal of office at Austin, Texas, the date first above written. (Seal) S. Patterson, Commissioner.

Tonight sure! Take Cascarets and the nice, gentlest liver and bowel cleansing you ever experienced. Wake up with your head clear, stomach sweet, breath right and feeling fine. Get rid of sick headache, biliousness, constipation, furred tongue, sour stomach, bad colds. Clear your skin, brighten your eyes, quicken your step and feel like doing a full day's work. Cascarets are better than salts, pills or calomel because they don't shock the liver or grip the bowels or cause inflammation in the next day.

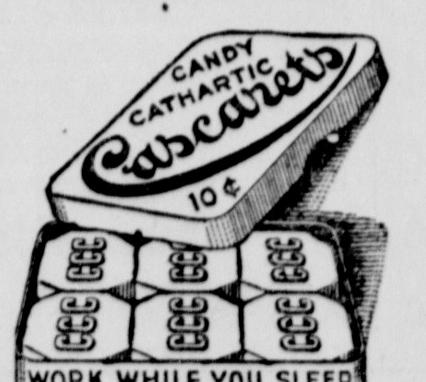

Mothers should give cross sick bilious, feverish children a whole Cascaret any time, as they cannot injure the thirty feet of tender bowel.

Are you protected against loss by fire? If not Rogers and Gant will insure you before night. 403 Americana—Adv.

## The Standard Remedy in Countless Homes

RELIEVES CONSTIPATION EASILY!  
WITHOUT GRIPING OR  
DISCOMFORT.

Indigestion and constipation are two conditions that are closely related and the cause of much physical suffering.

The tendency to indulge one's appetite is more or less general and most people suffer at one time or another from rebellion of the overtaxed organs of digestion and elimination. A pleasantly effective remedy, that will quickly relieve the congestion of poisonous stomach waste and restore regularity, is the compound of simple laxative which is sold in drug stores for fifty cents a bottle under the name of Dr. Caldwell's Syrup, Pepsi. This is a mild, pleasant laxative tonic, free from opiates or narcotic drugs, and has been the standard household remedy in thousands of homes for many years.

Mrs. Oliver Young, Merrill, Wis., writing to Dr. Caldwell, says she knows of nothing so effective for regulating the stomach and bowels; since taking Dr. Caldwell's Syrup, Pepsi, she feels ten years younger, her weight is easier and she has regained her appetite.

Get a bottle of Dr. Caldwell's Syrup Pepsi from your druggist and have it in the house. A small bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Ill.

## LARGE ATTENDANCE EXPECTED AT MEET OF CANNING CLUBS

Mrs. J. L. Landrum of Austin, state organizer and supervisor of girls' home economic clubs, arrived in the city yesterday in anticipation of the county gathering of school girls to be held tomorrow, and expressed her gratification of the outlook for a good attendance. She expects that there will be between sixty-five and a hundred club members and other girls interested present for the session. The meeting will open at 10 o'clock tomorrow morning in the Singer wholesale building on Fourth street.

Mrs. Landrum emphasized the fact that not only members of the various clubs of the county were invited, but that all school girls who are interested are cordially urged to be present. Reports that she has received from the various clubs and schools indicate that much interest is being taken in the county meeting.

In addition to a program of speeches for the entertainment of the girls present will be the guests of the Young Men's Business League for a luncheon at noon in the league rooms.

The decision to give the luncheon was made at a committee meeting yesterday. Composing the special league committee are W. A. Poage, Forest E. Goodman, Frank Trau, Fiske Wright and W. H. Hoffmann. This committee will be assisted by the entertainment committee of the league headed by W. A. Poage, to make arrangements for the luncheon. James Hays Quarles has been assisting Mrs. Landrum in the organization of the clubs in the county and has charge of arrangement details for the gathering.

This will be the first meeting of the county clubs since their organization last fall and will be the occasion of the affiliation of the clubs into a county organization with the election of officers from the various clubs.

Club girls are asked to bring samples of their needle work and cooking and canning prizes will be awarded on these. F. E. Goodman, for the Tom Padgett company, started the prize list yesterday with the offer of a fine pair of women's driving gloves.

Mrs. Landrum has just come from a great gathering of the clubs in Hale county, where more than a thousand girls and boys of the canning and pig clubs were present. She will leave here after the meeting Saturday for Corpus Christi, where a county-wide campaign will be inaugurated.

This will be the first meeting of the county clubs since their organization last fall and will be the occasion of the affiliation of the clubs into a county organization with the election of officers from the various clubs.

Interest in the peanut proposition seems to be growing daily, and many are showing their concern in this direction. The peanuts can be grown almost to perfection in parts of this county, it is believed, and experiments will be made on a large scale.

Already a number of persons have tried the nuts enough to know that they do well here, and it is thought that with experienced persons in charge of planting and cultivation, really surprising results will be achieved. Each year ought to witness greater success, as it will add much to the experience of those who will try out the peanuts here.

The regular monthly meeting of the City Federation of Wesley Bible classes to have been held tonight at the Morrow Street Methodist church has been postponed until Friday night, April 21st, on account of revival in progress at this church, as well as at three other Methodist churches in the city.

Circle B of the Ladies' Auxiliary of the Clay Street Baptist church will meet this afternoon at 3:30 o'clock with Miss Floy Bolger, 1900 Clay street. All members of the circles and their friends are invited to be present.

The course of his Chautauqua speechmaking tours, William Jennings Bryan travels on an average of 25,000 miles a year.

The geological survey's investigation of the mineral resources of Alaska will continue this year by twelve field parties.

It is really astonishing how few people know how to turn in a fire alarm. This will be thoroughly made in "Won from the Flames," the picture that is being made by local talent. When a fire is discovered in a prominent building on Austin avenue a pedestrian runs to the nearest alarm box and "pulls." A "close-up" of the actual pulling of the box will make it impossible for any one seeing it to forget how.

City Electrician Copley is very enthusiastic over this bit of educational film and will be of great assistance to the producer in the making of the scene, a duplicate copy will be made and presented to Mr. Copley so that it may be seen from time to time in the different picture shows until the public becomes thoroughly familiar with the action.

"The Castle," magnificent home of William G. Abel, that is located west of the city adjoining the golf course, to be used in making the home talent photoplay. In securing permission to make scenes of this beautiful place the producers of the picture consider themselves extremely fortunate, as it is one of the finest residences in this part of the country.

The fire scene is to be made at the Raleigh hotel this afternoon at 4 o'clock. The real value of a rescue truck and the life net will be thoroughly demonstrated and a large crowd will be present to see the picture made.

Director Jamison is in the city today picking locations and has decided to include a number of scenes of Cameron park. He could not resist the beauty of this natural park and has arranged his scene plot to include a picnic.

The first scenes are to be made early tomorrow morning and the picture will be finished and shown at the Hippodrome next Tuesday, Wednesday and Thursday.

### Mexican Finds It Hard to Keep Out of Penitentiary

The Waco police are the jinx that has been following Juan Rivera, a Mexican.

Riveria was caught yesterday afternoon by Detectives Craven and Brandon on a charge of burglary. It is alleged that he attempted to get in the store of J. Lem Jones of Ross and being unable to do this, went into a nearby buggy shed and took a complete set of buggy harnesses.

In the Mexican's possession was found an order of dismissal from the penitentiary commission saying that Rivera had served two years for burglary committed in McLennan county in 1914 and that he had been duly released on February 3, 1916.

### Temple Expects Large Crowd for Annual Y. M. B. L. Meet

### Fathers and Sons Banquet at Y on April 21

Reports from Temple, based on letters from leagues all over the state, indicate that a great meeting of Associated Young Men's Business organization will be held in Temple this evening, April 26. W. V. Crawford of this city is president of the associated leagues and Waco will probably send a large delegation to the sister city.

An excerpt from a letter issued by W. A. Brady, secretary of the association, says:

"The Temple Y. M. B. L.'s, the liveliest wires in the liveliest town in Central Texas, are planning the best entertainment. All of the officers and committee of the association expect this to be the greatest convention of the Associated Young Men's Business Organization that has ever been held, and have left nothing undone to make this the most profitable meeting of this organization.

"Do not fail to attend the open-air, E. J. M. I. T. banquet at 6:30, April 26, under the auspices of the local Young Men's Business League.

"All Texas railroads have announced a round-trip rate of 80 per cent of double the one-way fare from all stations in Texas to Temple for the annual meeting. Tickets on sale on the 25th and 26th, with final return April 28."

City Electrician Copley is very enthusiastic over this bit of educational film and will be of great assistance to the producer in the making of the scene, a duplicate copy will be made and presented to Mr. Copley so that it may be seen from time to time in the different picture shows until the public becomes thoroughly familiar with the action.

"The Castle," magnificent home of William G. Abel, that is located west of the city adjoining the golf course, to be used in making the home talent photoplay. In securing permission to make scenes of this beautiful place the producers of the picture consider themselves extremely fortunate, as it is one of the finest residences in this part of the country.

The fire scene is to be made at the Raleigh hotel this afternoon at 4 o'clock. The real value of a rescue truck and the life net will be thoroughly demonstrated and a large crowd will be present to see the picture made.

Director Jamison is in the city today picking locations and has decided to include a number of scenes of Cameron park. He could not resist the beauty of this natural park and has arranged his scene plot to include a picnic.

The first scenes are to be made early tomorrow morning and the picture will be finished and shown at the Hippodrome next Tuesday, Wednesday and Thursday.

### Working Boys' Club Has Program Full of Interest

Miss Maxie Fuller gave an interesting reading at the Working Boys' Club last night. "A Record of Texas History" was given by Alston Halley.

Hal McGhee gave an account of Tris Speaker as his favorite baseball player, with Ty Cobb as a close second.

Edward McLevey, a nine-year-old boy, read an excellent composition on the many kinds of dogs and their faithfulness to their masters.

Mrs. J. F. Rowe read a letter from E. E. Burkhalter, to which each member gave strict attention, in which were suggested many helpful things by the former club leader.

The club voted to divide the money given by W. J. Neal last Thursday in the same manner as the previous prize given by him.

## The Standard Remedy in Countless Homes

RELIEVES CONSTIPATION EASILY!  
WITHOUT GRIPPING OR  
DISCOMFORT.

MRS OLIVER YOUNG

Indigestion and constipation are two conditions that are closely related and the cause of much physical suffering. The tendency to indulge one's appetite is more or less general and most people suffer at one time or another from rebellion of the overtaxed organs of digestion and elimination. A pleasantly effective remedy, that will quickly relieve the congestion of poisonous stomach waste and restore regularity, is the compound of simple laxative herbs sold in drug stores for fifty cents a bottle under the name of Dr. Caldwell's Syrup, Pepson. This is a mild, pleasant laxative tonic, free from opiates or narcotic drugs, and has been the standard household remedy in thousands of homes throughout the country.

Mrs. Oliver Young, Merrill, Wis., writing to Dr. Caldwell, says she knows of nothing so effective for regulating the stomach and bowels; since taking Dr. Caldwell's Syrup Pepson she feels ten years younger; her work seems easier and she has regained her appetite.

Get a bottle of Dr. Caldwell's Syrup Pepson from your druggist and have it in the house. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Ill.

## CITY NEWS BRIEFS

Bert Gehrig, electrician for the Western Union, states that he lost some of his grapes by the frost, but the grapes on one side of the vine did not suffer much. Several instances of freakish behavior on the part of the frost are reported. The damage does not appear to have been as heavy as at first reported, though some young cotton had to be planted over and here and there a field of corn.

The Katy Welfare League made a great start Wednesday night, the enrollment being 388 members. This is considered to be very fine showing and illustrates the fact that there are many employees of this company in Waco. Others of the company will enroll, as those who came in on the initial night are not all of those employed here.

The county commissioners have adjourned and will not be in session again until the fourth Sunday in the month. Most of the matters passed on by the commissioners were school propositions in different parts of the county.

Chairman W. J. Geisler of the entertainment committee of the Y. M. C. A., says that he always has an interesting experience when he goes out to get actors for visiting parties who may be in convention in Waco. There are certain people, he says, who are always willing to give up time to come to the meetings of the entertainment committee and do what they can, but others who rarely do anything. The committee has come to know those who are disposed to help out, and usually goes to these as soon as possible. It is a public service which is being rendered by those who furnish machines or machines and chauffeurs to handle the visitors to Waco out for a drive.

That the ordinary tin cans in which Waco people buy their fruit and vegetables from the grocery store come in handy, especially the larger ones, is shown in the fact that during the recent frost many people used these cans to protect their young plants. The cans form an excellent protection, and many people save them and bring them out when indications are for frost. They make the most effective and the most convenient covering for

vegetation which is likely to be frost-killed, especially where the stuff is small, and such things as young tomato plants, Irish potatoes, onions, beans, peas and things of that character can be easily and quickly covered and just as quickly uncovered when the time comes.

The quarterly conference of Austin Avenue Methodist church was held last night at the church, following a session of the board of stewards. The conference is being held right along by Presiding Elder Whitehurst of the Waco district.

Interest in the peanut proposition seems to be growing daily, and many are showing their concern in this direction. The peanuts can be grown almost to perfection in parts of this county, it is believed, and experiments will be made on a large scale.

Mrs. Landrum has just come from a great gathering of the clubs in Hale county, where more than a thousand girls and boys of the canning and pig clubs were present. She will leave after the meeting Saturday for Corpus Christi, where a county-wide campaign will be inaugurated.

This will be the first meeting of the county clubs since their organization last fall and will be the occasion of the affiliation of the clubs into a county organization with the election of officers from the various clubs.

Club girls are asked to bring samples of their needle work and cooking and canning. Prizes will be awarded on these. F. E. Goodman, for the Tom Padgett company, started the prize list yesterday with the offer of a fine pair of women's driving gloves.

The regular monthly meeting of the City Federation of Wesley Bible classes to have been held tonight at the Morrow Street Methodist church has been postponed until Friday night April 21st, on account of revival in progress at this church, as well as at three other Methodist churches in the vicinity.

Circle B of the Ladies' Auxiliary of the Clay Street Baptist church will meet this afternoon at 3:30 o'clock with Miss Floy Bolger, 1900 Clay street. All members of the circles and their friends are invited to be present.

In the course of his Chautauqua speechmaking tour, William Jennings Bryan travels on an average of 25,000 miles a year.

The geological survey's investigation of the mineral resources of Alaska will be continued this year by twelve field parties.

## LARGE ATTENDANCE EXPECTED AT MEET OF CANNING CLUBS

Mrs. J. L. Landrum of Austin, state organizer and supervisor of girls' home economic clubs, arrived in the city yesterday in anticipation of the county gathering of school girls to be held tomorrow, and expressed her satisfaction with the turnout for a good attendance. She expects that there will be between sixty-five and a hundred club members and other girls interested present for the session. The meeting will open at 10 o'clock tomorrow morning in the Sanger wholesale building on Fourth street.

Mrs. Landrum emphasized the fact that not only members of the various clubs of the county were invited, but that all school girls who are interested are cordially urged to present. Reports that many have received from the various clubs and schools indicate that much interest is being taken in the county meeting.

In addition to a program of speeches for the morning and afternoon, the girls present will be the guests of the Young Men's Business League for a luncheon at noon in the league rooms. The decision to give the luncheon was made at a committee meeting yesterday. Composing the special league committee are W. A. Poage, F. E. Goodman, Frank Trau, Elsie Wright and W. H. Hoffmann. This committee will be headed by the entertainment committee of the league, headed by W. J. Geisler, to make preparations for the luncheon. James Hays Quarles has been assisting Mrs. Landrum in the organization of the clubs in the county and has charge of arrangement details for the gathering.

It is really astonishing how few people know how to turn in a fire alarm. This will be thoroughly demonstrated in "Won from the Flames," the picture that is being made by local talent. ## Mexican Finds It Hard to Keep Out of Penitentiary

The Waco police are the Jinx that has been following Juan Rivera, a Mexican.

Riveria was caught yesterday afternoon by Detectives Craven and Brandon in charge of burglary. It is alleged that he attempted to get in the store of J. Len Jones of Ross and being unable to do this, went into a nearby buggy shed and took a complete set of buggy harness.

In the Mexican's possession was found an order of dismissal from the penitentiary commission saying that Rivera had served two years for burglary committed in McLennan county in 1914 and that he had been duly released on February 3, 1916.

**Washing Won't Rid Head of Dandruff**

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon, apply it at night when retiring; use enough to moisten the scalp and rub it gently with the finger tips.

Do this tonight, and by morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel hundred times better.

You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.

**THEATRES****HIPPODROME**

sal appeal sounded by the play accounts in a large measure for the widespread interest in it.

"The Eternal Magdalene" is decidedly a play of today, yet its theme is as old as history itself. The very fact that the people of all climes today, quite the same as did their fathers and forefathers, have discussed and argued over the problem with which "The Eternal Magdalene" deals, makes it a play that not only arouses but holds the interest of every one.

The locale of the play is a fair-sized American play. It is not Waco, yet it might as well be as any other city in the country. In the city of the play vice has flourished in a segregated district. The good people finally decide to wipe out the district. That by so doing they may work a hardship on some of those who dwell there, does not deter them. And then, just as the campaign against the district is about to succeed, there comes on the scene a Woman. She is less, but it matters not. She is there to arouse the conscience and open the eyes of those who are about to pass judgment on their own unfitness for the task which they assumed. It is a remarkable character that of the Woman—which Robert McLaughlin, the author, has drawn. And in a similar way so, too, are all the characters in this remarkable play.

The setting of the play which aroused so much favorable comment in New York is the same for its production here.

In the role of Helene, who has been happily married to Blair for some eight or nine years, Mme. Kalich suffers disgrace and divorce and separation from her children through slander started by an enemy of her husband. Helene intends to win the wife for himself and does not let her know that he is the instigator of the whole trouble. When Helene is finally commanded to leave her home and her children forever and is turned away by her own people, she consents to Tremaine's proposal and becomes his mistress. Later she learns of his invalid wife, and the powerful moment is when it is discovered that a young man whose attentions she has been accepting is Tremaine's son. The end is true pathos that only Bertha Kalich can portray. "Slander" will play with Fatty and Mable in "Fatty and Mable Adrift."

I think I foresee a future for the motion picture that no one has ever before presented as I intend to picture it," says Bertha Kalich, the international star who has made "Slander," her first great picture for William Fox, and which will begin at the Hippodrome today. "I see the motion picture not supplanting literature but adding and creating a great new literature of its own. Already the motion picture is too ignorant. It cannot be made to banish ignorance. It must not be used and will not be used later on in a propagandist sense, not as a studied and deliberate educator which would cause resentment among the people who saw it, but as an unstudied portrayer of the right things to do and the wrong things to do. The motion picture in its evolution, whether it deals with fiction or fact, will be wonderfully educational. If a picture is interesting now the picture public knows this quickly. If it shows wrong period costume, wrong furniture, or a confusion of two or more periods in the same scene there are hundreds of thousands of people in America who detect this instantly. An ignorant producer cannot exist for long."

**BAPTIST SANITARIUM SITE TRANSFERRED, OUTLOOK PROMISING**

The deeds have passed to the ground which is to be used by the Baptists of central Texas for their new big sanitarium at Twenty-fifth and Barnard streets, and they now own the ground and the architect will plan the building in accordance with the close.

The site had been under contract for some time, but has now been closed and the site is the property of the Baptists. The ground bought consisted of two separate tracts which joined each other, these belonging to W. T. Herrick and W. S. Rathell. The ground bought comprises a little more than a full block, exclusive of the alley which usually cuts a block in twain, and one strong advantage in the site is that there is no alley through it, the land lying in one solid piece which is not disturbed.

It is just a little over a block from the Sanger avenue street car, and is one block from Columbus street, which is one of the best and most popular thoroughfares in the city. The site is also located centrally as to the future growth of the city, and will always be convenient to the public. It is splendidly drained, commands a superb view of the city, and is otherwise desirably situated.

The Baptists have stated that they expect to begin active building operations as soon as they shall have secured in good notes as much as \$50,000, and judging by the progress which has already been made, the building operations ought easily to be in evidence within the next sixty to ninety days.

**Washing Won't Rid Head of Dandruff**

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid, arvon, apply it at night when retiring; use enough to moisten the scalp and rub it gently with the finger tips.

Do this tonight, and by morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.

**THEATRES****HIPPODROME.**

"Slander," As is befitting the talents and the fame of Madame Bertha Kalich, William Fox has made her initial screen, "Slander," which will play at the Hippodrome today and Saturday, one of his most pretentious and most perfect releases. Madame Kalich is known as one of the greatest tragediennes of the age and by many she is declared to be the only worthy successor of Sarah Bernhardt. She has played in seven different languages in almost every nation of the world, and came into prominence before American audiences in Maeterlinck's "Mona Vanna." In this picture Madame Kalich does acting which critics assert is even more wonderful than her stage triumphs. She is a great advocate of the motion picture, always she shows before the camera an inspiring which is as great as the "stage power" which actors feel before audiences and the footlights. Mme. Kalich knows that her work will be seen "by millions as against thousands on the stage," as she expresses it, and she shows this knowledge in her work, a power of pantomimic expression which reaches the very peak of dramatic art. This international actress is supported in the picture by a strong company, many of whom have noteworthy stage records.

In the role of Helene, who has been happily married to Blane for some eight or nine years, Mme. Kalich suffers disgrace and divorce and separation from her children through slander started by an enemy of her husband.

Tremaine intends to win the wife for himself and does not let her know that he is the instigator of the whole trouble. When Helene is finally commanded to leave her home and her children forever and is turned away by her own people, she consents to Tremaine's proposal and becomes his mistress. Later she learns of his invalid wife and the powerful moment is when it is discovered that a young man whose attention she has been accepting is Tremaine's son. The end is true pathos that only Bertha Kalich can portray. "Slander" will play with Fatty and Mable in "Fatty and Mable Adrift."

"I think I foresee a future for the motion picture that no one has ever before presented as I intend to picture it," says Bertha Kalich, the international star who has made "Slander," her first great picture for William Fox, and which will begin at the Hippodrome today. "I see the motion picture not supplanting literature but building and creating a great new literature. It will be a fountain of knowledge and entertainment. It is a remarkable character that of the Woman—which Robert McLaughlin, the author, has drawn. And in a smaller way so, too, are all the characters in this remarkable play."

The setting of the play which aroused so much favorable comment in New York is the same for its production here.

In the excellent cast assembled for the production of "The Eternal Magdalene" the Woman will be played by Clara Joel. Surrounding her are Wilson Reynolds, Helena Rapport, George Wright, Jr., Helen Judson, Malcolm Arthur, Allene Durano and others.

sal appeal sounded by the play accounts in a large measure for the widespread interest taken in it.

"The Eternal Magdalene" is decidedly a play of today, yet its theme is old as history itself. The very fact that the people of all climes today, quite the same as did their fathers and forefathers, have discussed and argued over the problem with which

it deals, that not only arouses but holds the interest of every one.

The locale of the play is a fair-sized American play. It is not Waco, yet it might as well be as any other city in the country. In the city of the play vice has flourished in a segregated district. The good people finally decide to wipe out the district. That by so doing they may work a hardship on some of those who dwell there, does not deter them. And then, just as the campaign against the district gets about to succeed, there comes on the scene the Woman. She is nameless, but it matters not. She is there to arouse the conscience and open the eyes of those who are about to put judgment on their own unfitness for the task which they assumed. It is a remarkable character that of the Woman—which Robert McLaughlin, the author, has drawn. And in a smaller way so, too, are all the characters in this remarkable play.

## PEANUTS HAVE ARRIVED

Believing that the importance of peanut-raising has been overlooked in this section, and that it is an industry of great possibilities, we ordered a carload of peanuts for distribution among the farmers at actual cost. The peanuts were purchased in Comanche county and are well selected of the Spanish variety. They can be secured by application to Sem Nix, at the public warehouse.

Our institution is here to serve the farmers and will be glad to talk with any of them over the matter of accommodations for the year. You will find our officers glad at all times to discuss any matters concerning your welfare.

Even the little children in Waco are familiar with the name of Francisco Villa, and some of them are hushed to sleep or are scared into obedience by the use of his name. ## CARLOAD PEANUTS HAVE REACHED WACO FOR DISTRIBUTION

A nice, bright, fresh carload of peanuts, from the famed DeLeon section, reached Waco yesterday over the Texas Central branch of the Katy railroad, and in the afternoon were unloaded into the municipal warehouse and will be sold to farmers wanting them by Public Weigher Sem Nix and Assistant Fish Alexander.

W. W. Woods, cashier of the First National bank, who received the order by telephone Wednesday, was very much gratified that the Texas Central railroad showed such a willingness to co-operate by handling out the shipment at once, and at the promptness of Messrs. Nix and Alexander in seeing that the car of peanuts went right into the municipal warehouse and into the unopened portion thereof, so as to keep the seed in as good condition as they are at present until they are called for.

Advertisements were placed in the papers immediately, notifying the farmers and others of this section of the arrival of the peanuts, and giving information as to where they may be had, etc.

The peanuts will be sold at \$1.10 a bushel, which represents the actual cost laid down and is much cheaper than individuals could possibly have secured them but for the quality and enterprise of the First National bank and Cashier W. W. Woods. It is believed that there will be a heavy demand for the peanuts, as the time for planting is coming on apace.

### Waco's Hopes Still Center on Promise of Strickland

News comes from Dallas that President J. F. Strickland of the Southern Traction company has gone to New York again. He has spent much of his time in the metropolis since the first of the year, and it is known that it is the plan of the Southern Traction company people to move out south with the interurban if matters show up right from a financial standpoint. President Strickland announced openly in Waco two or three months ago that the plan was to go on south this summer unless some unforeseen incident comes along to prevent the execution of this. Then Waco will have a chance to say pretty soon how she feels over the matter of the extension southward.

That the extension to Temple and Austin would prove even more advantageous to Waco than the one to the north goes without saying, and when this time comes it is believed that the people here will rally as one man to the project. It is hoped, too, that the dream of President Strickland as to going south this year will be realized.

### Indications Are Labor Ball Will Be Well Attended

The big ball which is to be given at Labor Hall on the night of April 17 is to celebrate the twentieth anniversary of the institution of the Waco Central Labor council, though as a matter of fact the exact date of the formation of the council was on April 16, 1896. Owing to the fact, however, that the exact anniversary falls on Sunday this time, it was necessary to have the ball on April 17. It was stated by John R. Spencer, who is one of the three persons now living in Waco who organized the Central Labor council, yesterday, that all indications now are for a great time of it on the occasion of the ball on Monday night.

Mr. Spencer also said yesterday that William A. Black of San Antonio, the prominent single taxer, who is coming to Waco next week, is willing to deliver short addresses before different bodies wherever he can have the proper hearing, and he may make several talks while here. He will be in Waco on Wednesday and Thursday of next week.

Reported That Higher  
Courts Have Changed  
Examining of Insane

It has been reported that the higher courts of the state have modified state law providing for a board of physicians to examine persons who are thought to be of unsound mind and against whom complaint has been made in this respect.

Inquiry yesterday afternoon failed to get definite information on this point, as some of the attorneys and court attaches had heard the rumor and said yesterday that they could not say whether it was correct or not.

Under the system which has prevailed for some time now each person claimed to be insane and brought before a county court has been examined by a board of six physicians, and each of the examiners receive for each person examined the sum of \$2.50, no matter whether the person is pronounced to be insane. The plan is claimed to have worked well here, better, it is stated, than the old plan of having an inexpert jury pass on the sanity of persons involved.

### Negro Lodge Officer Pleads Guilty to Embezzlement

Mecos Cox, an officer in the Thomas Lodge, Colored Knights of Pythias, pleaded guilty yesterday afternoon to embezzlement of certain funds of the order which had been intrusted to him, and was sentenced to thirty days in the county jail.

The case was up in the county court, and Cox, who was arrested in East Waco Wednesday night by Detectives Craven and Brandon, was placed in jail yesterday morning until his case should come up. Cox made no effort to conceal his guilt, and at one entered a plea of guilty, being determined to get his sentence served out as soon as possible.

The money taken, amounting to \$32.50, was money which had been given him by members of the lodge for the payment of their grand lodge dues.

### Greatest Detective Has Solved Mystery

The world's greatest detective has solved "The Strange Case of Mary Page." Essanay's solution-defying mystery in fifteen episodes has puzzled millions since its inception and now in the later parts its followers are no nearer the answer. So the most famous sleuth was called in and with customary dispatch he—Sherlock Holmes—found the key.

William Gillette, who is filming "Sherlock Holmes" in seven reels if he could solve "The Strange Case of Mary Page."

"I have been asked, Watson," he said, "to find the answer to this mystery. A 'strange case' truly deserves my dear Holmes; quite puzzling."

Whereupon, Sherlock Holmes read the story of the photoplay and saw several of the late episodes to acquaint himself with the characters. An evening of study and he submitted the answer.

"Right!" agreed Henry B. Walthall, Edna Mayo and Director Hayden, the only persons other than the author who know the answer.

It is odd to note that Essanay gets scores of letters daily from followers of the play with suggested answers, but that Mr. Gillette has furnished the only correct solution.

### Panhandle Country in Good Shape

"The Panhandle country and the part of New Mexico which I visited never looked better than at present, and the crop and cattle conditions are all that any one could wish to see,"

the way that E. S. Thorpe of Houston, formerly of Waco, sized up the situation in the blooming west while he was here yesterday afternoon.

Mr. Thorpe has been in that section for the past month and has had ample opportunity to look things over carefully and明智地. Mr. Thorpe said that he never saw as much cotton as he saw in the country visited, and that large quantities of the staple remain in the hands of the people there up to the present.

### Negro Boy Given Ninety-nine Years for Assault

If Tom Quarles, a negro boy, lives long enough to serve out the sentence which was yesterday afternoon imposed on him by a jury in the Fifty-fourth district, he will make the octogenarians in this part of the state look like callow youths, as the jury headed by Foreman J. T. Linkenhager found Quarles guilty and sentenced him to serve ninety-nine years in the state penitentiary.

Quarles stood charged by grand jury indictment with attempted criminal assault on Mrs. Nannie Johnson, a white woman, near Bruceville, on March 28 of this year. He is alleged to have attacked her with a knife. The assailant was driven away before serious wounds were inflicted.

# PEANUTS HAVE ARRIVED

I Believing that the importance of peanut raising has been overlooked in this section, and that it is an industry of great possibilities, we ordered a carload of peanuts for distribution among the farmers at actual cost. The peanuts were purchased in Comanche county and are well selected, of the Spanish variety. They can be secured by application to Sem Nix, at the public warehouse.

I Our institution is here to serve the farmers and will be glad to talk with any of them over the matter of accommodations for the year. You will find our officers glad at all times to discuss any matters concerning your welfare.

## CARLOAD PEANUTS HAVE REACHED WACO FOR DISTRIBUTION

A nice, bright, fresh carload of peanuts, from the famed DeLeon section, reached Waco yesterday over the Texas Central branch of the Katy railroad, and in the afternoon were unloaded into the municipal warehouse and will be sold to farmers wanting them by Public Weigher Sem Nix and Assistant Felix Alexander.

W. W. Woodson, cashier of the First National bank, who placed the order by telephone Wednesday, was very much gratified that the Texas Central railroad showed such a willingness to co-operate by handling out the shipment at once, and at the promptness of Messrs. Nix and Alexander in seeing that the car of peanuts went right into the municipal warehouse and into the best protected portion thereof, so as to keep the seed in as good condition as they are at present until they are called for.

Advertisements were placed in the papers immediately notifying the farmers and others of this section of the arrival of the peanuts, and giving information as to where they may be had, etc.

The peanuts will be sold at \$1.10 a bushel, which represents the actual cost laid down, and is much cheaper than individuals could possibly have secured them but for the liberality and enterprise of the First National bank and Cashier W. W. Woodson. It is believed that there will be a heavy demand for the peanuts, as the time for planting is coming on apace.

### Waco's Hopes Still Center on Promise of Strickland

News comes from Dallas that President J. F. Strickland of the Southern Traction company has gone to New York again. He has spent much of his time in the metropolis since the first of the year, and it is known that it is the plan of the Southern Traction company people to move out south with the interurban if matters show up right from a financial standpoint.

President Strickland announced openly in Waco two or three months ago that the plan was to go on south this year, and unless some unforeseen incident comes along to prevent the execution of this plan, then Waco will have a chance to say pretty soon how she feels over the matter of the extension southward.

That the extension to Temple and Austin would prove even more advantageous to Waco than the one to the north goes without saying, and when the time comes it is believed that the people here will rally as one man to the project. It is hoped, too, that the dream of President Strickland as to going south this year will be realized.

### Indications Are Labor Ball Will Be Well Attended

The big ball which is to be given at Labor Hall on the night of April 17 is to celebrate the twentieth anniversary of the institution of the Waco Central Labor council, though as a matter of fact the exact date of the formation of the council was on April 16, 1896. Owing to the fact, however, that the exact anniversary falls on Sunday this time, it was necessary to have the ball on April 17. It was stated by John R. Spencer, who is one of the three persons now living in Waco who organized the Central Labor council, yesterday, that all indications now are for a great time of it on the occasion of the ball next Monday night.

Mr. Spencer also said yesterday that William A. Black of San Antonio, the prominent single taxer who is coming to Waco next week, is willing to deliver short addresses before different bodies wherever he can have the proper hearing, and he may make several talks while here. He will be in Waco on Wednesday and Thursday of next week.

### Reported That Higher Courts Have Changed Examining of Insane

It has been reported that the higher courts of the state have nullified the state law providing for a board of physicians to examine persons who are thought to be of sound mind and against whom complaint has been made in this respect.

Inquiry yesterday afternoon failed to elicit definite information on this point, though some of the attorneys and court attaches had heard the rumor and said yesterday that they could not say whether it was correct or not.

Under the system which has prevailed for some time now each person charged to be insane and brought before the county court has been examined by a board of six physicians and each of the examiners receive for each person examined the sum of \$2.50, no matter whether the person is pronounced sane or insane. The plan is claimed to have worked well here, better, it is stated, than the old plan of having an inexpert jury pass on the sanity of persons involved.

### "Hush, Baby! Old Villa Gets Bad Little Boys"

Even the little children in Waco are familiar with the name of Francisco Villa, and some of them are hushed to sleep or are scared into obedience by the use of his name. Little chaps not more than 3 to 4 years old know about the bandit, and almost daily ask whether he has been captured or is still at large.

### Negro Lodge Officer Pleads Guilty to Embezzlement

Mecos Cox, an officer in the Thomas Lodge, Colored Knights of Pythias, pleaded guilty yesterday afternoon to embezzlement of certain funds of the order which had been intrusted to him, and was sentenced to thirty days in the county jail.

The case was up in the county court and Cox, who was arrested in East Waco Wednesday night by Detectives Craven and Brandon, was placed in jail yesterday morning until his case should come up. Cox made no effort to deny his guilt, and at once entered a plea of guilty, being determined to get his sentence served out as soon as possible.

The money taken, amounting to \$32.50, was money which had been given him by members of the lodge for the payment of their grand lodge dues.

### Greatest Detective Has Solved Mystery

The world's greatest detective has solved "The Strange Case of Mary Page." Essanay's solution-defying mystery in fifteen episodes has puzzled millions since its inception and now in the later parts its followers are no nearer the answer. So the famous sleuth was called in and with customary dispatch he—Sherlock Holmes—found the key.

William Gillette, who is filming "Sherlock Holmes" in seven reels at the Essanay plant, was asked lightly if he could solve "The Strange Case of Mary Page."

"I have been asked, Watson," he said, "to find the answer to this mystery. A 'strange case' truly describes."

"Yes, my dear Holmes; quite puzzling."

Whereupon, Sherlock Holmes read the story of the photoplay and saw several of the late episodes to acquaint himself with the characters. An evening of study and he submitted the answer.

"Right!" agreed Henry B. Walther, the only persons other than the author who know the answer.

It is odd to note that Essanay gets scores of letters daily from followers of the play with suggested answers, but that Mr. Gillette has furnished the only correct solution.
